

A cooperation between Schulschiff
Bertha von Suttner and the University
of Applied Arts Vienna since 2006.

di:'Angewandte
Universität für angewandte Kunst Wien
University of Applied Arts Vienna

Stromkilometer is both a prize and a challenge that is awarded to students, alumni and employees of the University of Applied Arts Vienna.

The school ship Bertha von Suttner has so far rewarded high school graduates with a multiple (highschool graduation present) of artists.

Students, alumni and employees of the Angewandte are invited to design a multiple as a gift for the 2024/2025 graduates of the Schulschiff. The gift should be a sign of remembrance of the school ship and the graduation.

The design is to be realized in a limited edition (only for the number of high school graduates, approx. 75).

When submitting your design, please note that the **sum of €700** must cover the entire costs of implementation in the required print run. As the work will be presented as a gift, **please also consider the form for this.**

700€ is available as prize money for the best submission and 700€ for implementation.

Jury criteria:

originality, aesthetics, CI of the school ship, reference to the Matura, reference to the school ship.

The jury consists of

Members of the Angewandte:
hufak (Students' Union)
AKG (Working Group for Equal Opportunities)
a former award winner, a representative of the mid-level faculty
and
members of the school ship:
Student representatives
Teacher representation
Director
Representatives of the parents' association

DEADLINE for submissions: Tuesday, 6.5.2025.

The jury meeting will take place on Wednesday, 7.5.2025 from 16:30 to max 18:30 at the University of Applied Arts Vienna. Applicants must be present to pitch their ideas to the jury. On this day, the participants will be asked to present their idea to the jury themselves and in person in a short presentation (+ possibly with a prototype). The results will be announced afterwards.

The multiples must then be completed by June 6th, 2025 and handed over to the management of the school ship.

On June 11th, 2025, the objects should be handed over to the students in person during the **Matura ceremony.** A description (incl. image) of the project must be submitted as a .doc and .pdf for the school and Angewandte homepage.

AWARD CRITERIA:
